

Project Summary

Northern Beaches Hospital

New South Wales

The Northern Beaches Hospital in Frenchs Forest, Sydney was finished in 2018. It is a nine-story hospital that has 488 beds, a modern emergency department with a medical center, mental health facilities, 14 operating theaters, a helipad for emergency transportation, retail and customer services, and 1,400 parking spaces.

The project included a 50-bed emergency department, 14 operating theatres, 2 cardiac catheter labs, 4 procedure rooms, state-of-the-art intensive care, and six surgical suites.
