MODEL DESCRIPTION

POP-UP FLOOR / DESK BOXES

The Modempak pop-up floor / desk boxes are perfect for situations where aesthetics are vital and space is a premium. They are an ideal compliment for desks, boardroom tables, reception areas, retail counters where a limited number of outlets are required. The pop-up floor / desk boxes come in 2 stylish finishes and two different shaped lid options to suit most surface finishes - either a stainless steel or polished brass finish in both round and square lid options are available. For areas requiring greater numbers of power and data outlets combined in a single enclosure refer to the [Modempak Endurabox Range](#) of square, rectangle and round floor boxes in various depth and sizes [here](#).
